epilogue...

A MESSAGE FROM THE MOTHERS' GUILD

Congratulations to all the 1983 graduates. Your leadership, involvement in your school, seriousness in your studies, your team spirit, good humour, warm affection and concern for one another have all been outstanding. You will be missed.

You have been very privileged to attend the Sacred Heart School of Montreal -- one of the finest girls schools anywhere. You have received many wonderful things, but most importantly a true sense of values and the spirit of caring. If you live by these values, you will be able to provide the future leadership and outreach our world will need.

Many years from now, this Yearbook will serve as a priceless record of the 82-83 year. We are indebted to Mrs. Kay Palkhivala and the Yearbook Staff for their work.

The Mothers' Guild is proud to be a part of this Yearbook. We wish you, the Graduates, every success in the future. Do come back to see us.

Janet Macklem
President

"Never fling open a door without checking behind it for stray nuns." After having been at the Sacred Heart for two years, Catriona now leaves the school with a newly-acquired love of school dances and yearbooks which, combined with the baleful influences of talkative roaming debaters, helped to make her years here full of unforeseen complications. When not wandering around vaguely correcting peoples' grammar, Catriona is either in MJ's office trying subtly to look hungry, or upstairs copying her Math homework. "And when he is silent your heart ceases not to listen to his heart; for without words, in friendship, all thoughts, all desires, all expectations are born and shared, with joy that is unclaimed. When you part from your friends, you grieve not; for that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain." ... And now for a Grad Comment loosely based on all the old Grad Comments ... Early in her career at Sacred Heart Lucy gained fame with her self-destructing tunics and strange eating habits. Later, Lucy was attacked by Loose Fish, short green people bearing yearbooks, Geeks and bloodthirsty Vampires, not to mention rumours that her History Term Paper was on "The Effects of the S.H. Dance on Otherwise Sane People." Lucy leaves Sacred Heart with many things including good friends, a grey sock that found its way into her locker in Sec. II, and an irrational fear of dancing Ukrainians.

Anna Romano

AKA Vicky-Wicky and Rostoria, Vic is a die-hard Canadiens fan who is also an Acton fan (a rarity) with a penchant for any Hab in uniform. Apart from this Vic is known for being a chocoholic . . . pizza connoisseur . . . an anti-prep . . . always prepared with a fresh batch of chocolate chip cookies . . . an HGP member . . . a GL viewer . . . special thanks: Linda, Banana, Dicky, Carmina, Eshti, Dommie, Chris, Sue K., Shish Palk, Janette Vanna . . . everybody . . . thanks for a great five years . . . certainly was never boring . . . is it over already??

Vicky Rosales

Camille Rott

Nickname: Chouki. Ambition: artist. Probable destination: first woman to become a sanitation engineer. Likes animals and loafing. Dislikes hunters. Secret fear is being forced to watch a horror movie. Pet peeve is being late. Favorite saying: niaiseuse!!! Known for her ability to eat, eat, eat and not gain a single pound . . . having the biggest lunches . . . being called Shmoe by SK all the time Good luck everyone!!!

Gabrielle Sacconaghi

Gaby, a name that reflects her vivid and fun-loving personality? Contributing much to the school during the past five years, Gaby has become known for her: illustrious imitations, appearance in many school plays, crushing her opponents in debating, and her preference for the L.C.C. scene. Long legs? "Imagine". Gaby can be found squeaking a smile out of someone with her jokes, scheming in the hallways, or more maturely having deep philosophical discussions! Thanks to the grads of '83 for making her days at Sacred Heart the greatest!

Kim Sewell

Remembered for: her bottomless pit, club foot, shocking drawings, secret admirer(?). Miracle Mart nature bread sandwiches. Being: a French whizz(?), S.H.'S Athlete of the Year, weekend lover, Lisa's twin. Saying: "I got run over", "It burnt", "I'm not rusty!", "That test is today?", "Look Sawa, I did my Physics!", "She's very, very good . . ." Calling: AF "Scrape Up", LM "Pete", SM "Sawa", FA "The phantom". Being called: Clifton, Berl, Yim, Lover. Sitting in a desk surrounded by filth. Thanks to everyone who made this year what it was, especially LM, AF, SM, JW, MX, DM, CS, 5C.

Cynthia Skoda

Thank you to everyone who made my five years special to me. Now is the time for me to say good bye. I will spread my wings and fly, reaching high to find my dreams way up in the sky. When I find my dreams I'll remember you. I will smile remembering the happy moments we shared. Be happy, you only live once. The special memories are glued to my heart. Special thanks to Donna, Margarita, Liz, Lynne and Hélène. Auf Wiedersehen. What's green and smells like a pig? No, not Nini! ...

Jennifer is only a three year veteran (!?) of the Sacred Heart, infamous for: being eloquent in her beliefs, men, a few good weekends, an army jacket and a felt hat, combined with an unbounded lust for entertainment (A's surprise party!), Remington Steele, and life. This mad computer science hater is very happy to be alive. Jen tries not to look too preppy, but occasionally succumbs. Known for comparing everything to her current flame and indebted to Jane for getting tied up (knitting needles). Disasters: a bum knee and last term's report. Last words: Love ya, good luck, you're great.

Jennifer Terni

Anne Turley

A hyena laugh gives Anne away as she roams through the halls. Our secretary can be found cracking jokes, hunting down some juicy gossip, and being her outgoing self. Ask her about her nephew and her niece? Only if you have a double spare! Still, she manages to juggle numerous beaus! An ardent worker with a strong personality, she comes out of economics and says: "I'm so confused!" ... but it's said with a smile! Anne wishes to thank the class of '83 for all the special memories, especially: Gabs, Dom, M.D., Anne and Eshti for all the unforgettable good times!

Well, here we are guys, in Sec V. Bet you never thought you'd make it this far. Now we're leaving, and do any of us actually know where we are going? Just remember (MY great advice), that life becomes what we make it. Remember: doodling in Religion and Physics; sleeping through French first period Monday mornings; "Hey, is it Tuesday or Wednesday?"; "Wait, I've got to tell you something!"; "So, what's happening tonight?"; "Riding in the rain"; "I'm gonna work on the car"; L.O.L.F.J.D.; The River. Ambition: to find out what my ambition in life is.

Jana Valasek

Never had an excuse for being late for school: lives across the street . . . loves to jump out of lockers to scare people . . . not only does she like scaring people, but scares herself with horror movies . . . "Hi Eshti, it's me, Dodo" . . . has weird (but really good) dancing moves (her feet go crazy) . . . loves junk food and then says she'll go on a diet . . . never to be left alone with food . . . enjoys pouring distilled water down people's backs . . . loves windsurfing, sailing, skiing . . . loves hockey games . . . Tim Hutton . . . Thanks to all my friends for five memorable years at the Sacred Heart!

Dominique Valiquette
